JIM Ellis
Expect the best

August 24, 2008
Chateau Elan - Braselton, Ga
All proceeds going to local charities

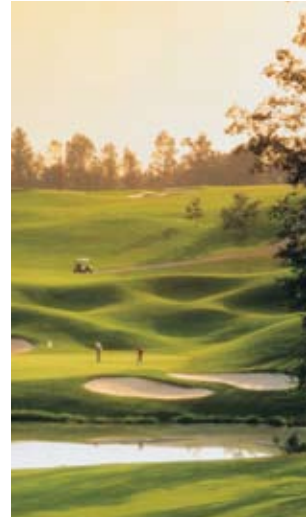

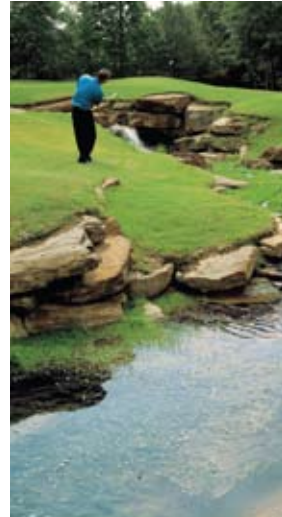

Since 2000, we have hosted a charity golf tournament to raise funds for various charities that our employees nominate and select. The proceeds are awarded during the holiday season. Many of our employees help with hosting the tournament and many more participate as players. Most of our sponsorships come from our many generous business vendors, associates and vehicle manufacturers.

The year 2007 was one of our most successful events. We had 270 golf participants and the tournament raised over \$50,000 in proceeds. Last year the recipients included: Children's Healthcare of Atlanta Cancer Center, the Calvary Children's Home, Our House, Norcross Cooperative Ministries, Shriners Hospital for Children, Kate's Club, Children's Wish Foundation, Babies Can't Wait, Frank Ski Kids, Women Are Dreamers Too, Gilda's Club, Tommy Nobis Foundation, and the Leukemia Society.

It is pleasing to see so many of our partners participate in this charity event that brings us together for food, fun and golf, and more importantly, to raise funds so we can reach out to those in need in our community at a special time of the year.

Jim Ellis learned from an early age about earning rewards through hard work, a lesson that still shapes his life and now spreads benefits far beyond his family. Charity support from the lifelong Georgia resident improves the lives of at-risk youths, homeless families and individuals, neighbors needing emergency assistance and adults with developmental disabilities.

"Nothing was ever given to me. Success came by working for it. Now my wife Billie and I want to share our blessings and opportunities. It's time to give back." -Jim Ellis
